**Correction to: Lasers in Dental Science (2023) 7:161–165**  
<https://doi.org/10.1007/s41547-023-00193-2>.

In the original version of the published article, the current ethic declarations state:

**Informed consent** The patient provided informed consent.

This should be changed to:

**Informed consent** Informed consent from the patient was acquired to participate and publish.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
