

ACKNOWLEDGEMENT TO REFEREES

© The Author(s) 2018

Dear Reader,

As we reach the end of the second year of publication for *PharmacoEconomics - Open*, we wish to reflect on another successful year, and to thank all those who have contributed their time and effort to guarantee the high quality of our content.

At the beginning of the year, *PharmacoEconomics - Open* was included in PubMed, and the journal has recently published its 100th article. These two milestones are indicative of the continued success of the new journal.

We thank the authors who have contributed articles to *PharmacoEconomics - Open* over the course of 2018. The skill and dedication of all authors are critical to the continued publication of the journal. The quality of published articles is also testament to the significant efforts of the peer reviewers, whose commitment ensures that the journal's content is held to the highest possible standard. We would like to thank the following individuals who acted as reviewers for *PharmacoEconomics - Open* in the last 12 months:
