The original version of this article unfortunately contained a mistake. The correct Fig. 6 caption should be: Fig. 6 Cut-marks on rearticulated foot bones of a late Middle Pleistocene aurochs (*Bos primigenius*) from Grays Thurrock, Essex, UK (NHMUK PV M 103305a-c). Cut-marks on the astragalus (NHMUK PV M 103305b) are shown in close-up in the inset. This specimen is part of a heavily butchered assemblage, purchased by the NHM in 1847. Scale = 50 mm.

The original article has been corrected.
