Correction to:

Chinese Journal of Academic Radiology (2020)
<https://doi.org/10.1007/s42058-020-00041-3>

The original version of this article, published on June 17, 2020, contained a mistake.

Although our article reports novel data and includes data on patients with resectable and non-resectable gastric cancer, we would like to acknowledge similarities in study design with the work of Lee et al. [1].
