Correction to:
Advances in Astronautics Science and Technology
https://doi.org/10.1007/s42423-021-00077-2

This article was published online first on 27. July 2021 under the title mentioned above. After this publication, the Author has asked to remove the "For the 71st IAC" at the beginning of the article title so that it should read "System Engineering a Solar Thermal Propulsion Mission Concept for Rapid Interstellar Medium Access".

The original article has been corrected.

The original article can be found online at https://doi.org/10.1007/s42423-021-00077-2.
