This article was initially published online including the following errors:

- The first author's name was incorrectly written as 'Katie Katie Williams'.
- There was an incorrect first reference to Fig. 2 in the second sentence of Sect. 2.5.
- There should have been a first reference citation of [31] along with [30] in the second paragraph of Sect. 2.7.
- In the 6th paragraph of Sect. 4 (Discussion), the term '*Ae. albopictus*' was missing after the word 'gravid', just before the references citations [48, 49].

The original article has been corrected.
