Correction to: Digital Finance
<https://doi.org/10.1007/s42521-021-00036-4>

Figure 7 in the original version of this article was corrupted and has been replaced.

In table 2 the total number of “All loans (2005–2009)” must read 1430,982 instead of 143,982.

The number has been corrected in the original version of this article.

Table 2 Loan data universe

	Total loans	Non-default	Default	%Default
All loans (2005–09)	1430,982	1340,313	90,669	6.34%
Subprime loans (2005–09)	200,959	170,210	30,749	15.30%
