Example 4.2 as well as Lemma 3.31 and Lemma 2.51 have been incorrectly referenced by error. Furthermore, the multi-letter variables such as *gr*, *div*, *spec* have been set in italic instead in roman. The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s42543-018-0001-7>.
