Correction to: Research on Biomedical Engineering

<https://doi.org/10.1007/s42600-020-00094-4>

The original version of this article unfortunately contained mistakes in Tables 1 and 2.

In Table 1, in line D2, it should be read as Colgate Tripla Ação, in D5 it should be read as Even Juá, and in D8 it should be read as Sorriso Dentes Brancos.

The heading of Table 2 should read “Comparisons between fluoride concentrations in different toothpastes according to measurement modality (mean difference $\pm$ SD).” The second line should have no numbers and should be read as **CaCO₃: ns *** ******.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
