There were the following errors in this article as originally published:

On the fourth page of the article, in equation on B:C ratio, \$ symbol was missing in the denominator.

On the tenth page of the article, under **3.8 Economic Analysis**, in the 6th line, the citation “(Table 9).” between “fertilizer.” and “The highest”.

On the thirteenth page of the article, in the paragraph that begins with “The increase in grain yield” “Table 4” should have read “Table 5” and “Table 5” should have read “Table 4”.

On the thirteenth page of the article, under **4.2 Effect of Phosphorus**, in the last sentence of the first paragraph, a space belonged between 60 and DAS and between 90 and DAS.

On the fourteenth page of the article, an erroneous Table 10 was presented that repeated the data given in Table 9 in the article.

The original article has been corrected.
