Correction to: J Soil Sci Plant Nutr

<https://doi.org/10.1007/s42729-021-00696-6>

The first row of data presented in Table 3 in this article was incorrectly combined with the table headings in the article as originally published.

In addition, the graphics for Figs. 2 and 3 were not correct in the PDF version of the article.

The original article has been corrected.
