Correction to: Carbon Letters
<https://doi.org/10.1007/s42823-021-00290-x>

The original article has been corrected.

Due to an unfortunate oversight table 1 has been given erroneously. Table 1 should be read:

Table 1 Proximate and ultimate analyses of the raw coal and the coal residue (wt%)

Sample	Proximate analysis				Ultimate analysis (daf)				
	M_{ad}	A_d	V_{daf}	FC_{daf}	C	H	N	S	O ^a
Raw coal	1.17	5.10	34.52	65.48	87.23	4.65	1.72	2.16	4.24
Coal residue	0.67	10.40	31.42	68.58	86.47	4.87	2.16	2.22	4.28

ad air-dry basis, *d* dry basis, *daf* dry and ash-free basis

^aBy difference
