Correction: Spine Deformity (2024) 12:293–303
<https://doi.org/10.1007/s43390-023-00802-x>.

The complete fourth selective row reads:
Selective Information support: surgery.

In Table 1 of this article, the data in column 2 of the fourth “Selective” row was missing in the original article.

The original article can be found online at <https://doi.org/10.1007/s43390-023-00802-x>.
