**Correction to: Early Intervention Caregiver Training for Children with Autism: a Quality Review**  
<https://doi.org/10.1007/s43494-023-00092-y>

The most updated prevalence of ASD, as reported by Maenner et al. (2023), was incorrectly reported in the original publication. The prevalence of ASD should be 1 in 36 children.

The original article has been corrected.
