Correction to:

Journal of Umm Al-Qura University for Engineering and Architecture

<https://doi.org/10.1007/s43995-023-00015-3>

In Fig. 8 of this article the Span-to-depth ratio has been given as (L/H_0) . It should have been (L/h_s) ; the figure should have appeared as shown below. The original article has been corrected.

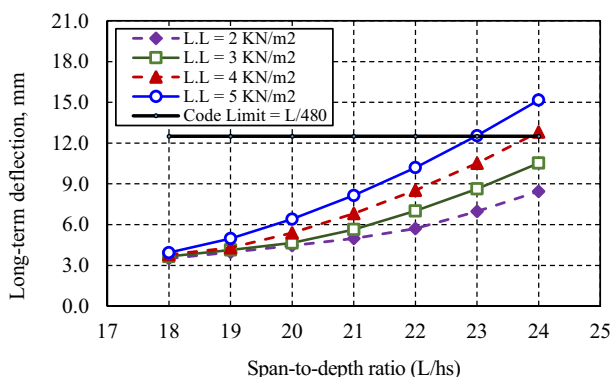

Fig. 8 Span-to-depth ratio-Deflection relationship for the case of $f_c' = 35$ MPa and span = 6 m
