Correction to: La Matematica

<https://doi.org/10.1007/s44007-021-00010-x>

A version of this article was posted prior to a final reading by the authors.

The original article has been corrected as follows:

On page 6, “(51,240,132),” was deleted from line -1 of Table 2. On page 8, “ $c_{e,b}$ ” was changed to “ $c_{2,10}$ ” in lines -8 and -5. On page 10, the distracting commas were deleted from Table 3. On page 20, “B-happy” was changed to “10-happy” and “ ≤ 10 ” was changed to “ ≤ 6 ” in line -9. On page 23, “three digits” was changed to “three base b digits” in line 3; “40481360” was changed to “481360” in line -2; and the third sentence after Theorem 43 was changed to “Instead, there are results on u -attracted numbers (see Definition 10) where $u \in U_{2,b,c}$, the set of all numbers occurring in cycles of $S_{2,b,c}$.”

The original article can be found online at <https://doi.org/10.1007/s44007-021-00010-x>.
