Retraction Note: International Journal of Computational Intelligence Systems (2023) 16:174
<https://doi.org/10.1007/s44196-023-00352-0>

The Publisher has retracted this article in agreement with the Editor-in-Chief. The article was submitted to be part of a guest-edited issue. An investigation by the publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references or not being in scope of the journal or guest-edited issue. Based on the investigation's findings the publisher, in consultation with the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

The corresponding author, Siyong Fu has stated that all authors disagree with this retraction.
