ERRATUM

Correction to the article "An Antibiotic Linked to Peptides and Proteins is Released by Electron Capture Dissociation Fourier Transform Ion Cyclotron Resonance Mass Spectrometry" by Clifton K. Fagerquist, Robert R. Hudgins, Mark R. Emmett, Kristina Håkansson, and Alan G. Marshall, *J. Am. Soc. Mass Spectrom.* 2003, 14, 302–310.

In Figure 3 on page 306, the caption should read: "Possible sites of cleavage for ECD of [Arg⁸-vasopressin + 2(DFC-H) + 2H]⁺." The extra "(DFC-H)" should have been deleted. The publisher regrets this error.
