ERRATUM

In the August issue, Vol. 17, No. 8, the article titled “Metal-Binding Properties of Human Centrin-2 Determined by Micro-Electrospray Ionization Mass Spectrometry and UV Spectroscopy” (pages 1158-1171) was published with typo in the affiliation of authors Justin Sperry and Michael L. Gross. The origin of their affiliation at the **Department of Chemistry, Resource for Biomedical Mass Spectrometry** should have been at **Washington University in St. Louis, St. Louis, Missouri, USA**. The name of the university was inadvertently dropped in the published issue. The publisher apologizes for this error.
