

Note from the Editor-in-Chief

Welcome to the first issue of *Spine Deformity*, the official journal of the Scoliosis Research Society (SRS).

This issue underscores the aim of the Society to foster the optimal care of all patients with spine deformities worldwide. It has a broad range of manuscripts covering basic science, biomechanics, validation studies, as well as original case series and case reports. In addition the countries of origin of the manuscripts reflects the

international scope of the SRS, originating from the United States, China, Switzerland and Spain.

All the authors can be proud to be a part of Volume 1, Issue 1 of *Spine Deformity*.
