In relation to their paper “Geostatistical Space-Time Models: A Review,” *Mathematical Geology*, Vol. 31, No. 6, p. 651–684, 1999, the authors apologize for omitting reference to the outstanding doctoral thesis work of Dr. Patrick Bogaert. The last two paragraphs of page 653 should have included a citation of Dr. Bogaert’s dissertation: “Geostatistics for the Analysis of Space-Time Data,” Ph.D. dissertation, Universite Catholique de Louvain, Belgium, 176 p., 1996.
