Erratum: Molecular Modeling of Human Serum Transferrin for Rationalizing the Changes in Its Physicochemical Properties Induced by Iron Binding. Implication of the Mechanism of Binding to Its Receptor*

Hirofumi Yajima,^{1,2,5} Tetsuya Sakajiri,¹ Takeshi Kikuchi,^{2,4} Masahiro Morita,³ and Tadahiro Ishii^{1,2}

In the originally printed article, the author Masahiro Morita's name was incorrectly spelled. The correct spelling is how it appears above.

The last sentence in the section "2.2. Accessible Surface Area," on page 217, should read "...by the method of Engleman and Steitz (1981) using the same model."

In Table II, on the bottom of page 219, the expression of the unit of surface charge should read "(kcal/mol•C)."
