

## Errata

To the paper

**Radioactive accumulation in alga samples from Romanian Black Sea coast**

S. A. Mihai,\* Ch. Hurtgen,\*\* I. I. Georgescu\*

\* "POLITEHNICA" University, Faculty of Industrial Chemistry, Calea Grivitei 132, Bucharest 78122, Romania

\*\* Belgian Nuclear Research Centre, Boeretang 200, B-2400 Mol, Belgium

(Received March 29, 1999)

appeared in the *Journal of Radioanalytical and Nuclear Chemistry*, Vol. 242, No. 2 (1999) 419–422.

On pages 420, the correct Figure 1 is as follows:

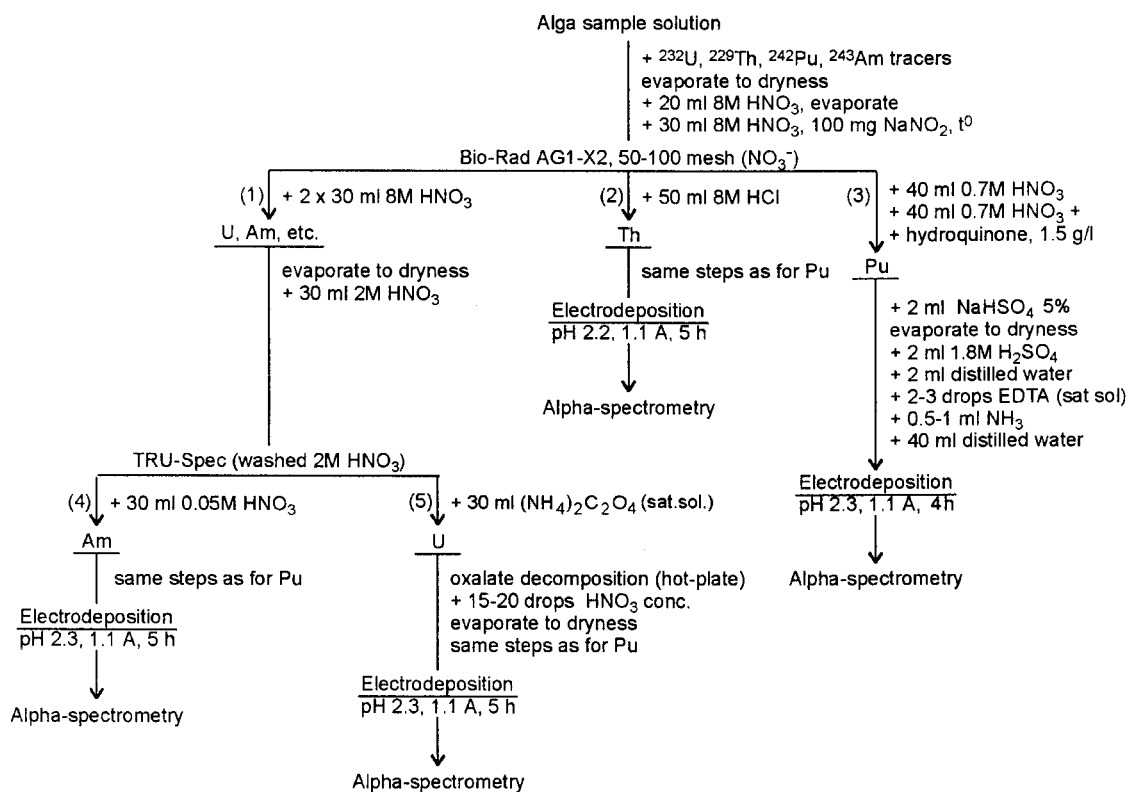

Fig. 1. Flow chart for the radiochemical analysis of U, Th, Pu and Am in alga samples

To the paper

**Artificial radioactive contamination of sediments along the Romanian sector of the Danube river and the Black Sea coast**

S. A. Mihai,\* Ch. Hurtgen,\*\* I. I. Georgescu\*

\* "POLITEHNICA" University, Faculty of Industrial Chemistry, Calea Grivitei 132, Bucharest 78122, Romania

\*\* Belgian Nuclear Research Centre, Boeretang 200, B-2400 Mol, Belgium

(Received June 2, 1999)

appeared in the *Journal of Radioanalytical and Nuclear Chemistry*, Vol. 242, No. 3 (1999) 683–686.

The correct title of the paper is "New aspects concerning artificial contamination of sediment samples along the Romanian sector of the Danube river and the Black Sea coast".
