

Erratum: The Influence of Oxide Layers on the Initiation of Carbon Deposition on Stainless Steel by G. R. Millward, H. E. Evans, M. Aindow, and C. W. Mowforth

An error occurred in Fig. 5 on p. 240, in the October 2001 issue of *Oxidation of Metals*, Volume 56, Numbers 3/4. It was labeled incorrectly; the correct version is given below.

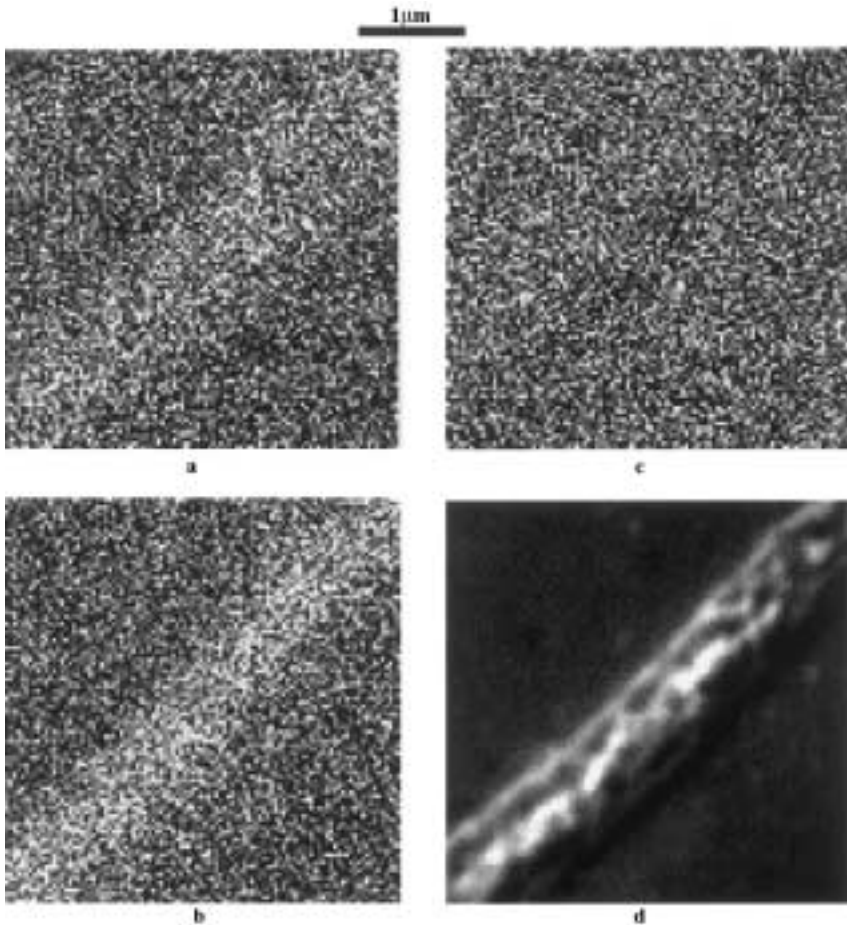

Fig. 5. Scanning Auger Spectroscopical analysis of a grain-boundary region on the surface of selectively oxidized Si-free austenitic 20Cr-25Ni stainless steel. (a) Oxygen map, (b) chromium map, (c) iron map, and (d) secondary-electron image.
