

Erratum

In the article, "Private Versus Common Property Forests: Forest Conditions and Tenure in a Honduran Community," by Catherine M. Tucker (*Human Ecology* 27(2): 201-230), on page 222, the first sentence of the "DISCUSSION AND CONCLUSIONS" section should read: "According to theoretical predictions, the relatively unregulated situation of common-property forests in La Campa should lead to more degraded forest conditions than in private property."
