FONDATION JEAN-MARIE DELWART AWARD 2003 IN ANIMAL AND HUMAN ETHOLOGY CHEMICAL COMMUNICATION

The Jean-Marie Delwart Foundation will award in 2003 a Prize for an original work or series of works, individual or collective in the field of *Chemical Communication*, dealing with the specific action of certain substances on the organisms (Invertebrates, Vertebrates including Man, Plant/Animal relations, etc.) in relation with the corresponding behavioral patterns.

The Prize, in the amount of \$10,000, will be attributed to works written or translated in French or in English, which should be sent by April 15th 2003 to the following address:

Fondation Jean-Marie Delwart
Attn: Raphaëlle Holender
U.C.L. Bâtiment Pythagore
4, Place des Sciences (Bte 4)
B-1348 Louvain-la-Neuve
Belgique
E-mail: fondation.j.m.delwart@skynet.be

The applications can be submitted either by the candidates themselves or by recognized specialists in the field considered or again by academic institutions (Academies, Universities, Faculties, Departments, Centres of Research, etc.). In all cases, the applications will be accompanied by a letter of presentation, a detailed curriculum vitae and a complete list of publications (in quadruplicate). The candidates are requested to send copies of the works they consider most linked with their application (reprints and/or books).

The Jury is composed of members of the scientific committee of the Jean-Marie Delwart Foundation and of members of the Académie Royale des Sciences de Belgique.

The Prize will be awarded in December 2003 at the occasion of the Public Session of the Académie Royale des Sciences de Belgique.
