

## **Erratum**

Subject: Kluwer Academic Publishers apologizes for an error in Volume 113, Nos. 1–2, October 2002. The rejoinder by N. Frohlich to an earlier comment by O. Stark (September 2002) failed to make specific reference to Stark's comment.

The reference is: O. Stark, 'An impartial reasoning solution to the prisoner's dilemma: Comment'. *Public Choice*, Volume 112, Nos. 3–4, September 2002, 401–403.
