The author of the above paper has acknowledged that there were several errors, detailed and corrected below, that were not picked up before this article was published.

In the ‘Results’ section:

For 2010 read 2009 in the following places:

- First paragraph ‘... weekly incomes in 2005 and 2010 ...’, ‘... few consultation fees in either 2005 or 2010. ...’ and ‘... Philhealth in 2010, ...’.
- Third paragraph ‘... (defined as more than three visits from 2005 to 2010) ...’.

Fourth paragraph *For* Birn (2005) *read* Håkleiv (2005).

In the ‘Results: Top-down versus bottom-up integration’ section:

First paragraph, *for 2010 read 2009* ‘... patients from 2005 to 2010 ...’.

In the ‘Results: The feasibility of mandatory in-facility deliveries with skilled birth attendants for all women in the Philippines’ section:

Third paragraph, *for* \$130 *read* US\$130.
