Retraction

Traditional beta, average drawdown beta and market risk premium

Mohammad Reza Takavoli Baghdadabad

Journal of Asset Management (2017) **18**, 155. doi:10.1057/jam.2014.17; published online 26 July 2016

The editor and publisher of the *Journal of Asset Management* are retracting the article 'Traditional beta, average drawdown beta and market risk premium' by Mohammad Reza Tavakoli Baghdadabad, published as an Advance Online Publication in the *Journal of Asset Management* on 27 February 2014 (www.palgrave-journals.com/jam/journal/vaop/ncurrent/full/jam201412a.html).

It has been concluded that portions of text in the article are either unoriginal or incorrectly cited and so the decision has been taken to remove this article from the scholarly field. It should no longer be cited with reference to publication in the *Journal of Asset Management*.
