

**Directions in Time Series:** *Proceedings of the Institute of Mathematical Statistics (IMS) Special Topics Meeting on Time Series Analysis at Iowa State University, Ames, U.S.A., 1-3 May, 1978*

D. R. BRILLINGER and G. C. TIAO (Editors) IMS, 1980, 302 + iv. pp.

Workmanlike contributions from J. Tukey, G. Box, T. Anderson, D. Pack, E. Parzen, Cleveland and Dunn, D. Pierce, C. Granger, H. Akaike, M. Priestley, B. Wittenmark, R. Martin, P. Robinson and M. Pagano—with comments by J. Geweke, K. Wallis, R. Miller, D. Dickey and H. Davis. Nothing much new, but a reasonable selection of what people were advocating in 1978.
