Editorial

Thanks to reviewers

Journal of Public Health Policy (2012) 33, e1–e3. doi:10.1057/jphp.2012.13

We extend a very special thanks to our reviewers, who have contributed so much to the *Journal of Public Health Policy*'s 32nd year of publication (2011). Over the years, we have been editing *Journal of Public Health Policy* and our most difficult task has always been finding colleagues willing to review. Each year, more decline to help, never answer our requests, or fail to complete reviews. Thus, it is with special appreciation that we recognize our 118 colleagues below, who completed a review (or several). We are deeply grateful to all.

Reviewers have assisted with increasing numbers of submissions – in 2011 manuscripts have come from 54 countries (up from 47 countries last year): Afghanistan, Argentina, Australia, Austria, Bahrain, Brazil, Cameroon, Canada, Central African Republic, Chile, China, Croatia, Denmark, Ethiopia, France, Gambia, Germany, Greece, Hong Kong, Hungary, India, Indonesia, Iran, Israel, Italy, Japan, Jordan, Kenya, Lebanon, Malawi, Malaysia, Mexico, Netherlands, New Zealand, Nigeria, Norway, Poland, Rwanda, Saudi Arabia, Serbia and Montenegro, South Africa, South Korea, Spain, Sri Lanka, Sweden, Switzerland, Syria, Taiwan, Thailand, Trinidad and Tobago, Turkey, United Kingdom, United States, and Zimbabwe.
