Due to an unfortunate oversight, a review of the book *Gedreven en behoedzaam. Willem Drees, 1886–1988. De jaren 1940–1948* by Hans Daalder was published in *Acta Politica* (2005) **40**, 134–137.
doi:10.1057/palgrave.ap.5500095.

This same book review was originally published in *West European Politics* (2005) **28** (1), 211–213. We would like to apologize for this unintentional error.
