Correction to: *postmedieval: A Journal of Medieval Cultural Studies* (2013) 4:
112–123. doi:10.1057/pmed.2012.48

A number of typographical errors were not corrected in the final version of Mr Nardizzi's book review essay, which we list below:

Page 114: 'admit' should be: 'admit[]'

Page 116: co-focused should be: eco-focused

Page 119: the following punctuation and word should have been omitted:
'approvingly,'

Page 119: in the second paragraph, there are two parenthetical citations to the scholarship of White that incorrectly list the year of publication as 1994; it should be 1996

We would like to apologize for any inconvenience this may have caused.
