
Corrigendum

Prime minister's questions as political ritual

Joni Lovenduski

British Politics (2014) **9**, 122. doi:10.1057/bp.2014.1

Correction to: *British Politics* (2012) **7**, 314–340. doi:10.1057/bp.2012.13

In the above article, the sentence 'On average men responded 0,35 of a point more positively to the scale than women did.' should read 'On average men responded 0,35 of a point less positively to the scale than women did.'. The author wishes to apologise for this oversight.
