

## POEM

**Gina Betcher**

Is it a shallow feeling  
that you and I  
together share  
Water  
ankle high  
Foot  
and ankle bare

Is it amongst ourselves  
that you and I  
together  
can feel warm  
United  
as one  
Alone together  
we conform

Are we visible injuries  
that you and I  
together see  
As we stand  
on the shore  
and share  
the sea  
Water  
ankle high  
Foot  
and ankle bare
