Catrin Ormerod,^{Aff1}

Felix Ritchie,^{Aff1}

^{Aff1} Office for National Statistics

Describes a project to link and study ASHE and the LFS, examining differences between earnings and hours information collected.

This article describes a project to link and study the Annual Survey of Hours and Earnings and Labour Force Survey. This investigation looked at the differences between the earnings and hours information collected on the surveys. The results show that some perceptions over the accuracy of the surveys are misplaced, and that researchers can have more confidence in using the data.

Misc
