Correction to: Journal of Banking Regulation
<https://doi.org/10.1057/s41261-021-00158-0>

The table in Appendix A that indicates the Group column has A, B, C, D, E, and F, but the production team missed to

update this column in the original publication of the article. The correct table in Appendix A should read as given below:

Appendix

A. Interview consolidated questions.

Policy phase	Group	Related questions
1 Engineering/Creation	A.	1. How you create a policy? 2. Please specify the coordination and activities between SAMA's departments to handle policy creation 3. Please list the challenges or issues that you face during the creation stage of the regulatory policy
2 Analysis	B.	1. How you analyse the intended policy? 2. How you overcome issues appeared during the analysis stage? 3. Please list the challenges you encounter during policy analysis

Policy phase	Group	Related questions
3 Validation	C.	1. How you validate the policy? 2. How you overcome issues appeared during the validation stage? 3. Please list the challenges you encounter during policy validation
4 Deployment/Execution	D.	1. How do you deploy your policy? 2. Why it takes a long time to implement the regulatory policy? 3. What makes the currently implemented regulatory policy system inefficient, among other execution shortcomings? 4. Please list the challenges or issues that you are facing during the implementation of regulatory policy
5 Monitoring	E.	1. How do you monitor the implemented policies? 2. How do you report if you have violations, weakness, or shortcomings issues in the implemented policies? 3. Why many of the implemented policies have negative feedback loops and inefficient? 4. Why do you not have an automated monitoring system for the implemented policies? 5. What are the challenges you currently encountering in this stage?
