Correction to: The Geneva Papers on Risk and Insurance - Issues and Practice (2019)

<https://doi.org/10.1057/s41288-019-00126-w>

In the first published version of this article the abstract contained an error. The sentence ‘Probability of bankruptcy is fixed at 99.9%.’ was replaced with the sentence ‘Capital requirements drop significantly when confidence levels are lower than 99.9.’ The original article has been corrected.
