Unfortunately, the captions for Figure 1 and Table 3 are incorrect in the original version of this article.

The caption for Fig. 1 reads:

“Mean number of post-transition organisations per 1989/2018 density ratio quartiles in energy, higher education and healthcare group populations in 2018 - Czechia, Hungary, Poland, and Slovakia”

And it should be:

“Mean number of post-transition organisations per 1989/2018 density ratio quartiles in energy, higher education and healthcare group populations in 2018 - Czechia, Hungary, Poland, and Slovenia”

The original article can be found online at <https://doi.org/10.1057/s41309-021-00130-3>.

The caption for Table 3 reads:

“The density of Hungarian, Polish and Slovenian health care, higher education and energy policy interest groups”

And it should be:

“The density of Czech, Hungarian, Polish and Slovenian health care, higher education and energy policy interest groups”
