The original version of this article unfortunately contained a mistake. The footnote 1 should read as

The project “The Missing Link: Examining Organized Interests in Post-Communist Policy-Making” has been generously funded by the *Deutsche Forschungsgemeinschaft* (DFG—German Research Foundation) and *Narodowe Centrum Nauki* (NCN—National Science Center, grant nr: 2016/23/G/HS5/01001) and carried out by a multinational team of scholars. The order of authors is based on length of involvement in the project. All authors contributed equally to data collection and compiling the survey dataset (see online appendix/supplementary files).
