

New Literature

RUSSIAN-ENGLISH DICTIONARY

In the new *Russian-English Dictionary of Scientific and Technical Usage*, poly-semantic Russian words are defined in detail with usage descriptions, notes and many of the usage patterns most widely encountered in specialist publications. This bilingual scientific-technical dictionary covers a broad range of verbs, adjectives, prepositions and adverbs as they are used in diverse technical fields. Special attention is given to the terms which cause most difficulty in translation because of the multiplicity of meanings associated with them. Pergamon Press, Fairview Park, Elmsford, NY 10523. **130**

LOAD-CELL CATALOG

A newly revised short catalog briefly describes 20 different models of load cells and mounting hardware. Many of the load cells featured in the catalog are brand new having been released for sale within the last three months.

The full-color catalog includes a photo and description of each model. Transducers Inc., 14030 Bolsa Lane, Cerritos, CA 90701. **116**

DESKTOP SYSTEM

An inexpensive, accurate testing system for determining drawability characteristics of a variety of sheet steels is described in a new brochure. Bulletin 122 provides comprehensive engineering and operation information on the modul-r, a lightweight, compact testing system designed to save time and reduce material costs. The bulletin discusses how the unit employs a magnet-ostriuctive oscillator to determine the resonant frequency of a narrow steel strip. Tinius Olsen Testing Machine Co., Inc., Easton Road, Box 429, Willow Grove, PA 19090-0429. **109**

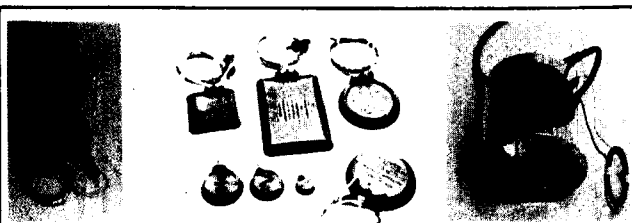

PUBLICATIONS CATALOG

A 1986 publications catalog contains over 140 manufacturing titles. The catalog is divided into 12 subject areas

and contains a list of conference proceedings, technical paper sets, software packages, videotapes and films, periodicals, and information about SME's INTIME Manufacturing Data Bank. The 28-page catalog also offers readers information on SME products and services. Society of Manufacturing Engineers, Publication Sales Department, One SME Drive, P.O. Box 930, Dearborn, MI 48121. **103**

AUDIO DOSIMETERS

A new brochure, 'Noise Monitoring Instruments—Mark Series Audio Dosimeter System,' provides descriptions and specifications of the Mark Series audio dosimeters—Mark 1, Mark 2, and the latest addition Mark 3. Descriptions of two auxiliary products include the CI-1 computer interface that makes it possible to link a Mark Series audio dosimeter to a personal desk-top computer and print in hardcopy form. Du Pont Company, N Walnut Road, Kennett Square, PA 19348. **125**

VACUUM FORCE APPLICATORS eliminates RIGS & JIGS

- Answers to STRAIN GAGE INSTALLATION CLAMPING PROBLEMS
- Strain Gage Vacuum Applicators and accessories.
- Circular model—force multiplier to 30 psi, 350°F heater and T.C.
- Rectangular model—14 psi, silicone rubber for environmental heating.
- Hose kit, vacuum safety switch, temperature controller, vac pump.
- Large Force Multipliers available for repairing Aero Composite surfaces. These apply 30 psi and heat to 400°F for higher strength repairs.
- Call or write concerning your requirements for large models.
