

SEM OFFICERS, COMMITTEES AND TECHNICAL DIVISIONS 1992-1993

The following annual list is published to inform the membership of those individuals who are serving as the chairmen/vice chairmen of the Standing Committees and Technical Divisions within the structure of SEM for the 1992-93 term. This year telephone (T) and Fax (F) numbers have been included. Should any member wish to obtain more information or to become an active member of a committee or division, contact that person directly. In cases where committee membership is restricted by a presidential appointment there is an asterisk and no telephone or Fax given.
