

CALENDAR OF EVENTS

1998

October 12 - 16
69th Shock and Vibration Symposium
Minneapolis/St. Paul, MN. Contact SAVIAC, <http://saviac.xservices.com>.

October 12-16
136th Meeting Acoustical Society of America
Norfolk Waterside Marriott Hotel, Norfolk, VA. Contact ASA, asa.aip.org/meetings.html.

October 26 - 27
SEM Fall Conference NVH: Source, Path, and Receiver Modeling Symposium
Novi Hilton, Novi, MI. Contact SEM*.

November 4 - 5
The Symposium on Fatigue Crack Growth Thresholds, Endurance Limits, and Design
Sheraton Waterside Hotel, Norfolk, VA. Contact ASTM, 610-832-9740, Email bbuckley@astm.org.

November 15 - 19
IEST Fall Conference and Education Series
Swissôtel, Chicago, IL. Contact IEST, 847-255-1561, Fax 847-255-1699, Email iest@iest.org.

November 17 - 20
Machinery Vibration Analysis I & II
Indianapolis, IN. Contact The Vibration Institute, 630-654-2254, Fax 630-654-2271, Email vibinst@anet-chi.com.

November 18-20
Aluminum Welding Seminar
Grosvenor Resort, Orlando, FL. Contact American Welding Society, 800-334-WELD, www.aws.org.

November 25
Thermoelastic Stress Analysis-Some New Applications
Contact Secretariat, BSSM, UK, 01483 295 715, Fax 01483 573 704.

1999

February 1 - 3
Western Regional Strain Gage Committee Meeting
Lancaster, CA. Contact Karl Anderson, 805-722-8255, Email karl@vm-usa.com.

February 4 - 6
IMAC-XVII Preconference Courses
1) **Modal Analysis: Theory and Application**
2) **Current Horizon for Structural Damage Detection**
3) **Response Analysis of Large Structures as Subjected to Ambient and Natural Excitations**
4) **Nonlinear Techniques and Applications (1-Day)**
5) **Time-Frequency Analysis (1-Day)**
Hyatt Orlando, Kissimmee, FL. Contact SEM*.

February 8 - 11
IMAC-XVII Conference & Exposition Applied Modal Analysis: Reducing Time to Market
Hyatt Orlando, Kissimmee, FL. Contact SEM*.

March 8 - 12
Engineering of Measurement Systems for Test & Evaluation
March 15 - 19
Dynamics of Measurement Systems for Test & Evaluation
Ramada Hotel Valley Ho, Scottsdale, AZ. Contact Peter Stein, 602-945-4603, Email meas-sys@primenet.com.

April 19 - 22
53rd Meeting of the Society for Machinery Failure Prevention Technology (MFPT)
Virginia Beach, VA. Contact Henry Pusey, 703-754-2234; Email hcpusey@ix.netcom.com.

May 2 - 7
IEST 45th Annual Technical Meeting and Exposition
Ontario Convention Center and Ontario DoubleTree Hotel, Ontario California. Contact IEST, 847-255-1561, Fax 847-255-1699, Email iest@iest.org.

June 7-9
SEM Spring Conference & Exposition
Omni Netherland Plaza, Cincinnati, OH. Contact SEM*.

July 19-22
International Conference on Integrity, Reliability and Failure
University of Porto, Portugal. Contact Prof. J.F. Silva Gomes, 351-2-953 73 48, Fax 351-2-951 73 52, Email gmafqm@garfield.fe.up.pt.

CALL FOR PAPERS

May 6 - 7, 1999
GESA- Symposium 1999: Demands and Trends in Experimental Structural Mechanics
Duesseldorf, Germany, Contact VDI/VDE-GMA, Fax 49-211/6214-161, Email rosenzweig@vdi.de.
Abstracts Due: October 10, 1998

June 7 - 9, 1999
SEM Spring Conference & Exposition
Theme: The Interdependence between Theoretical, Experimental, and Computational Mechanics
Cincinnati, OH. Contact SEM*.
Abstracts Due: October 9, 1998

July 21 - 24, 1999
ATEM '99
Ube City, Japan. Contact Prof. K. Goda, Email goda@po.cc.yamaguchi-u.ac.jp.
Abstracts Due: October 31, 1998

Highlighted events are sponsored or cosponsored by SEM

***Society for Experimental Mechanics, Inc.**
7 School St., Bethel, CT 06801
203-790-6373; Fax 203-790-4472
Email sem@sem1.com

Stop by today and visit SEM's Home Page for information about IMAC and SEM sponsored programs:
