Erratum: “Orbital Evolution of Saturn’s New Outer Satellites and Their Classification”

[*Astronomy Letters* 27, 455 (2001)]

The third panel of Fig. 10 erroneously shows a plot of the longitude of the ascending node against time. Actually, this panel must show a plot of the pericenter argument against time. The correct Fig. 10 is given below.

Fig. 10. Orbital evolution of S/2000 S1.
