On p. 1384 (left column, line 26 from the bottom; right column, lines 2 and 1 from the bottom), p. 1385 (Fig. 2 legend and ordinate designation; right column, line 18 from the top), and p. 1386 (left column, line 21 from the top), instead of “nitrate/nitrite”, one should read “nitrate + nitrite”. The authors apologize for this mistake.
