Received September 11, 2007

DOI: 10.1134/S0016702907100102

(1) The correct address of the first two authors is *Northen Water Problems Institute, Karelian Research Center, Russian Academy of Sciences, pr. Aleksandra Nevskogo 50, Petrozavodsk, 185003 Russia*.

(2) On page 938, text after eq. (2) should read *where $\Sigma[\text{cat}]$ is the sum of cations, including the hydrogen and ammonium ions, and $\Sigma[\text{anions of strong acids}]$ is the sum of the anions of strong acids (SO_4^{2-} , Cl^- , and NO_3^-).*

(3) On page 940, left column, line 3 from the top, *Institute of Water Problems of the North* should read *Northen Water Problems Institute*.

(4) On page 941, the caption to Fig. 1 should read *Curves of potentiometric titration of water with strong acid*.

Water samples from (a) Lake Imatozero, (b) Lake Vuontelenjarvi, and (c) Lake Iso-Puhjarvi and the caption to Fig. 2 should read *Dependence of $[\text{H}^+]/(b - [\text{H}^+])$ on $[\text{H}^+]$ for water samples from (a) Lake Imatozero, (b) Lake Vuontelenjarvi, and (c) Lake Iso-Puhjarvi*.

(5) On page 942, the caption to Fig. 3 should read *Dependence of $[\text{H}^+]/m$ on $[\text{H}^+]$ for water samples from (a) Lake Imatozero, (b) Lake Vuontelenjarvi, and (c) Lake Iso-Puhjarvi*.

(6) On page 942, right column, 6th line from the top, *Vuontelejarvi* should read *Vuontelenjarvi*.

(7) On page 943, in the caption to Fig. 4, *Vkshezzero* should read *Ukshezzero*.
