ERRATA

**Erratum to: “Enhancing the Calculation Accuracy
of Performance Characteristics of Power-Generating
Units by Correcting General Measurands Based
on Matching Energy Balances”
[Thermal Engineering 61 (12), 898 (2014)]**

P. A. Shchinnikov and A. V. Safronov

DOI: 10.1134/S0040601515060129

On page 900 (left column, line 20 from top): The sentence *The stated approach makes it possible to shorten the number of power-generating units of TPPs treated for calculations of PCs for 14–18 ...* should be read as follows: *The stated approach makes it possible to decrease the number of TPP power-generating unit parameters treated for calculations of PCs down to 14–18 ...;*

on page 901: the last line in the table’s left column *Boiler efficiency η_b* should be read as *Power-generating unit efficiency η_{el}* ;

on page 903: the name of the ordinate axis in Fig. 5 *Fuel saving, rub/(kW h)* should be read as *Fraction, rub/(kW h)*.
