The General Meeting of the Russian Academy of Sciences

The General Meeting of the Russian Academy of Sciences was held in late May and early June 2008 in Moscow. Its program was extensive, covering election of the RAS president, the RAS Presidium, and new members of the Academy; election of the heads of the RAS branches and regional divisions; a report on the

activity of the RAS Presidium and its discussion; and other points.

The General Meeting of the Russian Academy of Sciences elected Academician Yuriy Sergeevich Osipov president of the Russian Academy of Sciences.
