In the paper, the three wavelets in p. 119 (bottom of the left column) should be as follows: $\varphi\psi_{k,l}^j = 2^j\varphi\psi(2^jx - k, 2^jy - l)$, $\psi\varphi_{k,l}^j = 2^j\psi\varphi(2^jx - k, 2^jy - l)$, $\psi\psi_{k,l}^j = 2^j\psi(x)\psi(x)(2^jx - k, 2^jy - l)$.
