The article “Use of the DBM Model to the Predict of Arrival of Coronal Mass Ejections to the Earth”, written by K. B. Kaportseva and Yu. S. Shugay, was originally published electronically in Springer-Link on August 16, 2021 without Open Access. After publication in volume 59, issue 4, pages 268–279 the authors decided to make the article an Open Access publication. Therefore, the copyright of the article has been changed to © The Author(s) 2021 and the article is forthwith distributed under the terms of a Creative

Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>, CC BY), which permits use, duplication, adaptation, distribution and reproduction of a work in any medium or format, as long as you cite the original author(s) and publication source, provide a link to the Creative Commons license, and indicate if changes were made.
